Add-On Products Software License Agreement

(Important - read carefully before accessing Add-On Products software)

By accessing or otherwise utilizing the services of the software, you agree to be bound by the terms of this Add-On Products Software License Agreement. If you do not agree to the terms of this Add-On Products Software License, you are not allowed to copy or use the software and you must therefore promptly return this package to the place from which you obtained it for a full refund. This license paper gives you the right to use the aforementioned product utilizing the number of calendars, mailboxes, signs or resources written on this License paper.

Limitations on Reverse Engineering, Decompilation, and Disassembly

You may not reverse engineer, decompile, or disassemble the software, except and only to the extent such activity is expressly permitted by applicable law notwithstanding this limitation.

No Rental. Other Transfers

You may not rent, lease, or lend the software.

Termination

You may terminate this License at any time. Add-On Products may terminate this License if you fail to comply with the terms and conditions of this License. In either event, you must destroy all copies of the software.

Upgrade

If this License is an "Upgrade", you must have a valid license for the qualifying product that is being upgraded for this License to be valid, and this License must be used to replace such qualifying product. The total number of License "Upgrades" you may acquire may not exceed the total number of computers, workstations, or other digital electronic devices that were to the version listed above.

Not for Resale

If the software is labeled "Not for Resale" or "NFR," then your use of the software is limited to use for demonstration, test, or evaluation purposes.

Warranty and product liability:

AOP guarantees that any physical media (CD) which form a part of the product will be free from defects for a period of thirty days, starting from the date of registration or the day on which the program is first used. AOP is obliged to replace defective media at no cost to the reseller.

Except in the aforementioned case, the product is supplied as seen, without any form of guarantee whatsoever. AOP offers no guarantee that the program or accompanying documentation are free from defects or that they will meet the requirements and needs of the purchaser. Furthermore, AOP gives absolutely no guarantee that the product will operate without disturbance or the occurrence of errors. Under no circumstances, including negligence, will AOP accept any liability whatsoever for any form of consequential damage as a result of the use or the inability to use the product, whether this be loss of production, loss of profits, loss of data or costs incurred for replacement, salary or consultancy fees related to the use of the product, whether the loss or damage is direct or indirect. In no case can AOP liability exceed the amount paid for the product.

Copyright

All title and copyrights in and to the software, the accompanying printed materials, and any copies of the software are owned by Add-On Products or its suppliers. The software is protected by copyright laws and international treaty provisions. Therefore, you must treat the software like any other copyrighted material except that you may either (a) make one copy of the software solely for backup or archival purposes, or (b) install the software on the number of computers written on the License, provided you keep the original solely for backup or archival purposes. You may not copy the printed materials accompanying the software.
